SCHOOL UPDATES:

Principal's Message

Students enjoyed contributing their ideas for the neighborhood splash park at Rutledge Park. Their votes made for a colourful display of stickers on a poster in the main hallway. This was presented at the last Quadra Cedar Hill Community Association meeting. Students have until this Friday to submit any creative drawings on water park features they would like to see.

We welcome Mrs. Laura Paul, our new Aboriginal Assistant, to our school. Welcome back Mrs. Heather Oughtred, here in the office Mondays and Tuesdays.

Grade 4 students are busy writing the FSA provincial exams. There are six subtests: two each for reading, writing and numeracy.

Congratulations on another successful swim meet yesterday at the Commonwealth pool! Our swimmers have improved on speed, consistent strokes and stamina since the fall.

Thank you to all the supportive fans in the stands!

Congratulations to our Challenge students who competed at Monterey Middle School last week: Lukas Moser, Kaleb Manton, Jerret Anderson, Ari Wiewiorowski, and Kian Neufeld. The challenge this year was using a limited number of straws and tape to create a 'crane' that was attached to the back of a chair that could hold weight. Our team's creation held 50 grams. Thank you Mrs. Lauren Williamson, for coaching the group and to the parents who helped cheer and drive the team.

Thank you to Mrs. Camden and Mrs. Jost and their students for leading us with the Wolf as part of our assembly on Friday. The wolf is our spirit animal and the focus of the next couple of months. We are learning that the wolf's gifts include: communication, respect, culture, family and community.

SCHOOL UPDATES:

Principal's Message

Students enjoyed contributing their ideas for the neighborhood splash park at Rutledge Park. Their votes made for a colourful display of stickers on a poster in the main hallway. This was presented at the last Quadra Cedar Hill Community Association meeting. Students have until this Friday to submit any creative drawings on water park features they would like to see.

We welcome Mrs. Laura Paul, our new Aboriginal Assistant, to our school. Welcome back Mrs. Heather Oughtred, here in the office Mondays and Tuesdays.

Grade 4 students are busy writing the FSA provincial exams. There are six subtests: two each for reading, writing and numeracy.

Congratulations on another successful swim meet yesterday at the Commonwealth pool! Our swimmers have improved on speed, consistent strokes and stamina since the fall.

Thank you to all the supportive fans in the stands!

Congratulations to our Challenge students who competed at Monterey Middle School last week: Lukas Moser, Kaleb Manton, Jerret Anderson, Ari Wiewiorowski, and Kian Neufeld. The challenge this year was using a limited number of straws and tape to create a 'crane' that was attached to the back of a chair that could hold weight. Our team's creation held 50 grams. Thank you Mrs. Lauren Williamson, for coaching the group and to the parents who helped cheer and drive the team.

Thank you to Mrs. Camden and Mrs. Jost and their students for leading us with the Wolf as part of our assembly on Friday. The wolf is our spirit animal and the focus of the next couple of months. We are learning that the wolf's gifts include: communication, respect, culture, family and community.
